

Dear LogistiCare Network Providers,

Due to your relationship with **LogistiCare**, Maaco Fleet Solutions is offering you a Fleet discount program just like the ones our large fleet accounts benefit from. With the following discounts, along with our quick turn-around time, the savings realized will have a very positive impact on your business.

**\*10% off Market Body & Paint hourly labor rate and Materials.**

**\*10% off Aftermarket Parts and 5% off OEM parts.**

Maaco is your local body shop backed by a national support team. Our clients benefit from a national footprint, corporate oversight, simple production model with faster turnaround, customized programs for special project needs, and a national warranty. Fleets of all sizes trust Maaco's reputation for craftsmanship, speed and economy. Maaco stands behind its work 100%, there are no management fees, and with over **450 centers coast-to-coast**, there's always a Maaco facility close by.

Maaco's fleet services cater to a range of business fleets, both large and small, including car rental and leasing companies, government and municipal agencies, transportation and telecommunications providers, food and beverage companies, manufacturers and corporations, national DRP insurance companies, and more. So no matter what the size of your fleet, or your business, Maaco has the fleet service for you.

Simply visit [www.maaco.com](http://www.maaco.com) to access our shop locator for the nearest shop support option. Estimates are always free, come in today! For more program help or questions contact National Account Manager Robert Fish. [rfish@maaco.com](mailto:rfish@maaco.com) or 480-678-3312

**\*Attention Maaco Shops:** This is a local Direct Bill account; payment is due when services are rendered. Use Customer's Name and LogistiCare in the name field. Go to the National Account Fleet Forum and access the LogistiCare Directive for full instructions.
